### **CONGRATULATIONS - BEST WISHES**

There is no one on the list this week with a birthday or anniversary. A very happy new year to all! May blessings abound in all our lives, that we may share them with others.

### **HOME BLESSINGS**

Thanks to the handful of you who requested blessing of your homes. There is still plenty of time to make your request.

### **RIGHT TO LIFE:**

The Holy Catholic Church teaches us to respect and cherish life at every stage—from conception to natural death. **Next week** we will have an opportunity to express this teaching by joining with **Right to Life of Northeast Ohio** and dozens of area churches in the annual **Signature Media Campaign**. **Michael Mosyjowski** will be in the back of the church accepting signatures and donations for the unborn in a protest against legalized abortion. Your signature will be on a petition for life which will be sent to our legislators, and your donations will support pro-life multi-media education. Your opinion and support count, and is most appreciated. Thank you for helping to "Build a Culture of Life!"

### **PASTOR'S NOTE:**

Some of you have expressed interest in learning more about our Byzantine Liturgy, church customs, and our faith in general. This has prompted me to begin with a mid-week hour (or so) at 6PM each Wednesday. Every other week will be dedicated to learning our new Liturgy book, *Divine Liturgy, an Anthology of Worship*, with an emphasis on singing. The other sessions will focus on aspects of Liturgy, customs & tradition, including the study of Holy Scripture, as well as catechism. The format will encourage questions and dialogue, for the purpose of learning and faith enhancement. Discussions will be tailored to best serve those of you who choose to participate. Join us! **Fr. Michael**
